PACIFIC NAVAL DEFENCE

IMPORTANT CONFERENCE TO BE HELD AT SINGAPORE.

CHINA SQUADRON REPRESENTED.

SYDNEY, February 6.

The *Sunday Times* says that the Australian warship "Brisbane" is about to convey Admiral Grant, of the Naval Administration Board, to Singapore to participate in an important conference of senior officers of the East Indian, China, Canadian, New Zealand, and South African Squadrons on the question of the naval defence of the Pacific.

ALLIES' DEMANDS.

GERMANY SEEKING PRETEXTS FOR EVASION.

POLISH MENACE CITED.

LONDON, February 6.

The Germans are busy finding pretexts for not complying with the Allies' demands. According to the *Lokaleitung*, reservations will be made with regard to disarmament in East Prussia, which General Von Seeckt, who is now present at the conference of plenipotentiaries in Berlin, declared to be vital for Germany. He asserted that the Polish demobilisation, was a pretence. The Poles could in a single day's good march be in a position to bombard Berlin. The Bolshevik bogey is also being resuscitated. According to the *Freiheit*, the communists in Bavaria are urging a revolution and the formation of a soviet government in alliance with Russia against the Entente.

POLISH PREMIER IN PARIS.

PARIS, February 3.

A Havas message states: Marshal Pilsudski, the Polish Premier, arrived here this morning. He was received at the station by M. Briand, Marshal Foch, and General Weygand. Marshal Pilsudski visited M. Millerand, and in the afternoon deposited a wreath on the grave of the unknown soldier.

ARCHDEACON FOUND GUILTY OF ADULTERY.

LONDON, February 6.

The Consistory Court has found the Archdeacon of Stow, the Ven. J. Wakeford, Precentor of Lincoln Cathedral, guilty of adultery.

BACK TO PALESTINE.

10,000 PIONEER JEWISH IMMIGRANTS LAST YEAR.

Jerusalem, February 6.

Last year's pioneer Jewish immigrants numbered 10,000, including 3,000 repatriated Jews, 3,000 from the Ukraine, Gimesa, and Armenia, and 3,500 from Lithuania, Poland, Galicia and Germany.

HUNGARY WANTS A KING.

GENEVA, February 6.

Hapsburg partisans held a conclave at St. Moritz and decided that the ex-Emperor Karl must reach Budapest by Easter as Hungary wants a King.

NEW GREEK CABINET.

PREMIER PROFFERS FRIENDSHIP FOR ENTENTE.

ATHENS, February 6.

The Royalist, M. Calogeropoulos is forming a Cabinet including the late Cabinet minister, also M. Theotokis, former minister to Berlin. M. Calogeropoulos asserted that he was friendly to the Entente and declared that the presence of M. Venizelos at the London conference in any capacity was inadmissible.

RUBBER STRIKES.

DEADENING SOUNDS NEAR HOSPITALS.

LONDON, February 6.

It is stated that recent experiments in paving a street in the Borough with rubber sheets have been satisfactory and it is suggested that the Westminster City Council adopt a similar scheme for deadening the sounds in the neighbourhood of Charing Cross Hospital. The idea is that the scheme if successful might be extended to all streets in the proximity of hospitals. It is stated that although the initial cost would be roughly double, rubber blocks would long outlast wooden blocks.

ALLIED DEBTS.

MR. CHAMBERLAIN'S STATEMENT CAUSES SENSATION.

New York, February 6.

Mr. Austen Chamberlain's statement regarding Allied debts has caused a sensation at Washington and evoked criticism of the Government for concealing information on the subject. State Treasury officials decline to make any comment, but indicate that a proposal may be made unofficially. If so it will not be regarded seriously.

[Mr. Austen Chamberlain, speaking in Birmingham, declared that Great Britain did not desire two years ago to see the whole of the Allied debts wiped out, but the proposals, which were then rejected by the United States, will not now be repeated since they expose us to a misconception of our motives.]

TRADE WITH RUSSIA.

NEGOTIATIONS BETWEEN BRITAIN AND SOVIET.

"MARKING TIME."

LONDON, February 7.

"Marking time" epitomises M. Chicherin's note to Lord Curzon acknowledging receipt of the draft of the trade agreement. According to a Moscow telegram the Soviet plenipotentiary notes as regards the general conditions that no divergences exist which are incapable of settlement between M. Krassin and the British Government departments concerned, but the preamble is ambiguously worded, necessitating "an exhaustive discussion." Then follows a catalogue of denials of Britain's accusations as regards Soviet activity in Persia, Asia Minor, Bokhara, and Afghanistan, and counter charges against the Entente of irreconcilable hostility to Persia, the Caucasus, Asia Minor, the Black Sea, and Poland.

FANCY DRESS DANCE.

CHINESE RECREATION CLUB.

UNIQUE COSTUMES.

An enjoyable function took place at the Chinese Recreation Club on Saturday night, when some 200 guests attended a fancy dress dance. The costumes were of wide variety, many of them being exceedingly unique, and the scene was one of brilliant gaiety. The hall was charmingly decorated with lanterns and illuminated flower buds, supplemented by a wealth of flags tastefully curtaining the doors and windows and suspended from the ceiling. Music for the dances was provided by the orchestra of H.M.S. "Hawkins" and musicians from the Y.M.C.A., the latter playing the extras.

The judging of costumes was entrusted to a committee of ladies appointed from among the guests. Miss Violet Razavet, a fascinating squaw girl, won the first prize for ladies, presented by Mr. J. M. Wong, president of the Club. Mr. George Lee, as an Indian Rajah, won the gentlemen's prize, presented by Mr. B. Wong Tape, Vice-President. Mr. W. Ward, as a dame, won the consolation prize.

ORGAN RECITAL.

After a long interval Mr. Denman Fuller will resume his Organ Recitals and the first of a new series will be given in St. John's Cathedral on Monday next at 5.30 p.m. This cessation has been due to the fact that for four months the Cathedral Organ has been undergoing very extensive repairs and improvements. During that period pneumatic action has been put in throughout the instrument, with the exception of a small part of the Great, and this has made possible the introduction of six extra couplers which increase the possibilities of the organ beyond a degree which can be understood by those not versed in such matters. The improvement in the touch also renders it possible to now play pieces before impossible and the range of effects now available is in marked contrast to the limitations which were in such a large instrument so marked. The Tuba which will be used at this recital for the first time completes a tonal scheme which it has taken fourteen years of unremitting labour to carry out and the results of this addition and of the pneumatic action will entirely eclipse any of the great number of improvements made during the long period Mr. Denman Fuller has been organist of this Cathedral.

EARLIER TELEGRAMS.

ANOTHER WORLD WAR?

LONDON, February 6th.
The *Metropolitan Magazine*, a leading journal of New York, foresees the failure of any attempt to bind America, England and Japan to a reduction of armaments. The three countries, it says, distrust each other. All of them are reaching out for the world's trade. America does not desire to rule the seas, but fears the Anglo-Japanese Alliance, which was formed for the purpose of maintaining peace in India and the Far East, but might be aimed against America. The trade fight is the real fight, the oilfields in Mesopotamia, Mexico and elsewhere forming a continual ground of dispute. England, the journal says, has too much control of the cables, especially with her ally Japan. The paper urges Senator Harding (the President-elect) to endeavour to abrogate the Anglo-Japanese Alliance and substitute an open-door policy to which all can adhere, and to try to reach a real entente with England and Japan. Unless this is done, the paper concludes that a more awful world war than the last is practically inevitable.

UNITED STATES ARMY.

WASHINGTON, February 6th.
The House of Representatives has again passed, over the President's veto, the joint resolution of Congress stopping recruiting until the army is reduced to 175,000.

President Wilson, giving the reasons for his veto, stated that he was unable to see in the condition of the world generally, or in the needs of the United States any change justifying restriction of the minimum enlisted strength fixed at 220,000 by the Army Re-organization Bill.

RIFLE SHOOTING.

LOCAL BISLEY.

A shooting event open to all comers, was completed on Saturday on King's Park Range, and was an unprecedented success. The weather conditions were ideal. A slight wind varied from 9 to 3 o'clock, behaving all to be careful. In the forenoon, when the Services mostly occupied the range, top score was made by Pte. Goodman, H.K.V.D.C. In the afternoon the civilian element monopolised the range and some very good scores were made.

At the conclusion of the day's shooting the prizes were presented to the winners by Lt. Col. Bird, D.S.O. H.K.V.D.C. who, in a few well-chosen words, welcomed the members of the Services and congratulated the winners of the prizes. He concluded by saying that it was intended that the event would be an annual one and he hoped that the Services would be as well represented in future. Lt. Col. Bird then presented the prizes won by the Servicemen, those won by the H.K.V.D.C. being kept back for presentation with other prizes at a smoking concert next month. Three cheers were called for Lt. Col. Bird and this closed a very successful day.

The results were as follow:

VOLUNTEER DEFENCE CORPS CHAMPIONSHIP.

The Bisley Meeting was continued yesterday under ideal conditions. The wind was not so troublesome but the sun was rather strong. On the whole shooting was excellent and better scoring resulted than on the previous day. The Corps Championship was won by Cpl. Grimes with the splendid record of 139 out of a possible 150. The prize-winning scores were:

Cpl. Grimes	200	500	600	Tl.
Pte. F. C. Goodman	42	45	43	130
Sgt. Thornhill	40	41	42	123
Pte. R. J. Goodman	46	46	30	122

The range prizes were won as follows:

200 yds.—Lt. Dodwell	43
500 yds.—Gr. Frith	45
600 yds.—Pte. D. J. Valentia	40

In the Musketry Competition No. 3, fourteen shot off and the prizes were won by the following: 1. L. Cpl. Lyon; 2. Pte. F. C. Goodman; 3. Pte. R. J. Goodman.

Nine competed in the Cadets' Competition, the prizes being won as follows: 1. Cpl. McKay; 2. Sgt. Lyon; 3. Cadet Polly.

Perhaps the most interesting sport of the day came from the Revolver Competitions, in which nearly 200 cards were returned. In some cases, notably Chief Petty Officer Shear of H.M.S. "Colombo," the shooting (at a two inch ball 25 yards distant) was wonderful. In the "All Corners" he scored five bulls and one inner, making 29 out of a possible 30, and carried off first prize. Next came Eng. Lt. Com. Jackson of H.M.S. "Tiania," with a total of 28, four bulls and two inner. Cpl. Grimes with a 27 took third prize. Mr. Moss of H.M.S. "Hawkins," was awarded fourth prize. In the Corps Revolver Competition Cpl. Grimes was first with 28; Sgt. Thornhill was second with 25 and Major Rapson was third with a like total.

The above ended the most successful meeting ever held in Hongkong.

Seiling, manager of the Oriental Tobacco Factory, was attended by two bridesmaids, Miss Sheila Robinson, daughter of Captain and Mrs. Robinson, and Miss Nannie Yper, daughter of Mr. K. J. Yper, Marine Superintendent of the A.P.C. and Mrs. Yper. The bridegroom had for best man Mr. S. D. Begg, of Messrs. Butterfield and Swire.

The bride, who looked charming in white chamoise trimmed with beaded and lace feathers, with train embroidered with pearl beads, carried a beautiful bouquet of white chrysanthemums. The bridesmaids wore pretty dresses of silk green georgette crepe accented with pleated dresses, trimmed with satin ribbon. They also wore pretty garlands of flowers round their heads and carried dainty baskets of roses. The bride's mother, who wore a becoming plum chamoise dress trimmed with chincille, carried a bouquet of violets.

After the ceremony a reception was held at the Station Hotel at which the customary toasts were duly honoured.

The honeymoon is being spent at Repulse Bay. The bride's away dress was of silver grey chamoise hand-embroidered with black. The bride also wore a black tulle hat.

WAR WEAPONS.

NEW LONG RANGE GUN.

A new type of field gun is now being studied at the Royal Cannon Foundry at Liege.

The gun has already been constructed and tried, and it is claimed that it has a range half as long again as the field guns commonly in use during the war.

Its diameter is stated to be eighty millimetres (3.15 inches).

Having stabbed the farmer, three armed men who broke into a house in the new territories on Thursday last bound and gagged the women and children, and then ransacked the house.

A particularly gratifying feature being the large number of entries in the open competitions. A word of congratulation is due to Ganner Frith and the Committee assisting him.

PRESENTATION.

MR. MURDOCH MCLIVER.

CHIEF BOARDING OFFICER.

A presentation took place at the Harbour Office shortly after noon today, when Mr. Murdoch Mcliver, Chief Boarding Officer, who is soon to retire after 26 years in the service, was given a handsome silver bowl as a tribute from the Harbour Master, his fellow-officers, and the staff of the Department. Mrs. Mcliver was the recipient of a handsome silver bag, and the two children received gifts of chocolates.

The courtyard at the Harbour Office building was decorated with flags for the presentation. Commander Beckwith presided and made the presentation speech. In addition, there were present Lieut. Hake, Assistant Harbour Master; Mr. W. Russell, Government Marine Surveyor; and Mr. Hall and Mr. Lambert, first and second assistant Government surveyors respectively, and many other, including the Boarding Officers and Junk Inspectors.

Commander Beckwith, in presenting the gift said:

We have asked you to come here this morning a little time before you actually leave the Colony to present you with a souvenir of affection and respect from the Harbour Department of this Colony. You have been 26 years in this Department and have served personally with me for some fourteen years, and I could have wished that you might have stayed a few years longer and seen my time through, but your health and that of your family comes first. By your going the Government loses a trusted official indeed hard to replace, and the public a courteous and obliging servant. Through the war, Hongkong was a port of very considerable importance to the Empire, when shipping was the life blood of the Nation, and some 25,000 ships of 50,000,000 tons of ocean going tonnage were handled here in Hongkong by a depleted staff. From 1915 you were my assistant and were of great help to me generally. You can take it from me that you did your duty well and truly. I am handing you this cup filled to the brim with good wishes from us all for your future health, wealth, prosperity and long life to draw a well-earned pension—and sometimes think kindly of your many old friends in Hongkong.

To Mrs. Mcliver, the Harbour Master said:

On behalf of the Harbour Department, I would ask you to accept this silver bag as a memento of our regard and we sincerely hope that you will have many long years of health and happiness in store for you all.

Replying, Mr. Mcliver said: On an occasion of this kind, one feels oneself handicapped in not being able to express one's feelings in words to those who have always shown every kindness. During my period of service in the Colony, I have been looking forward to the day when I should be able to retire from the service and take a pension, but now as the time is approaching I assure you I have to mix with my feelings on departure a certain amount of joy and regret. I hope to enjoy my retirement but I am sure I shall often think of the days that I spent in Hongkong and wish that I could return and meet the old friends that I made in this department and in the Colony generally. I have to thank you, Commander Beckwith, very much indeed, for the kind remarks you have made about me and my services to the department, and I assure you that if these services have been appreciated by you and all others concerned, I am satisfied. During the war, to which you have referred, we had to work, short-handed, and more work was expected of us, in order to facilitate the shipping, frequenting the Port. The existing staff was able to keep the office open without a breach for three years, holidays and Sundays included, and on the whole I think our efforts were appreciated by the public. I have also to thank you for what you have done for me in this department. I should be leaving the service worse off were it not for you. You are always easy to approach and willing to listen to legitimate grievances and put them forward for redress. As you are about to go on leave, sir, I hope, sir, you will have a happy meeting with your family and a good holiday, so as to return and take up your post with redoubled vigour. I thank you all for the handsome presents you have made to myself and family and I assure you we shall always treasure them as coming from this department and as souvenirs of the Colony where the best part of our lives has been spent.

The silver bowl was mounted on a black wood stand, and bore the following inscription:

Presented to Mr. M. Mcliver On his retirement By the Harbour Master and Staff of the Harbour Department Hongkong 1921.

At the conclusion of the ceremony Mr. Mcliver was loudly applauded and showered with good wishes.

LEAGUE CRICKET.

C.R.C. v. C.S.C.C.

The Civil Service proved too strong for the Chinese in their league match on Saturday, and by inflicting a crushing defeat on their opponents, improved their chances for premiership of the league. The Chinese were weaker than usual, and batting first, proved easy victims to the excellent bowling of the Civil Service, the whole side being got out for the low score of 63 runs, of which Choa Man-ping's 28 was the only double figure. The Civil Service batted very carefully, the Chinese bowling giving them no end of trouble. The Civil Service was dropped at point early in the innings and later gave more chances which were not taken advantage of. His partner also took a few risks. Twenty-three overs saw the Chinese total reached, and then the batsmen hit out at everything that came their way and the runs began to come very quickly. Many chances were given, but the Chinese caught nothing. Sayer had not joined the match very long when the latter was clean bowled in the falling light, 12 runs short of his century. De Rome's 105 was very cleverly compiled. When stumps were drawn, the Civil Service had 210 runs to their credit and eight wickets in hand.

KOWLOON MARATHON.

THURSDAY'S BIG RACE.

LIST OF ENTRIES.

About 72 entries have been received for the Kowloon Marathon Race for Europeans, organised by the Men's Society of St. Andrew's Church, which will be held on Thursday. The start of the race will be at St. Andrew's Church, and the distance to be covered is about 7 miles. The course leads out Nathan Road past the Yumati Chinese theatre to Ho-Mun Tin and the Kowloon Dairy, then along the 100 foot road to Kowloon City, and back by way of Hung Hom, the Cement Works, Chatham Road, and Signal Hill to Nathan Road.

Besides the entries from the services, there are quite a number of civilians. Lance-Corporals Britten and Ralphs, who finished seventh and nineteenth in the Hongkong Marathon last year, are entered. Mr. D. G. Purves is the Hon. Secretary.

A POPULAR PICTURE.

It is scarcely to be wondered at that "Daddy Long Legs" is breaking all records as far as cinema entertainment is concerned in Hongkong. Indeed it would be surprising if such were not the case, for its appeal is irresistible alike to young and old, being filled as it is with children and their doings. Moreover the children are not those we see every day, with fathers and mothers to protect and care for them, but little children who are the charges of an asylum which is sadly mismanaged.

As a madcap child whose restless personality overcomes even the most sordid surroundings, Miss Pickford's characterisation is a masterpiece. The Coronet management have requested us to announce that Wednesday next will be definitely the last day of this attraction.

course of a *melee* the Hongkong goalkeeper ran out to kick away, but missed the ball which rolled into the net. As the ball was last played outside the striking circle, the score was not allowed, and a bully was ordered on the 25. This resulted in the ball being cleared. A little before the close, when a draw seemed inevitable, Miss Ranger again broke through and netted for Victoria who retired winners by the odd goal in three.

The style of play showed great improvement on the last match. Messrs. C. C. Hickling and G. H. Piercy were the referees.

RUGBY.

CLUB DEFEAT ARMY.

The Club met the Army in the second round of the competition for the Rugby Challenge Cup on Saturday and strengthened their position in the league by defeating their opponents by 11 points to 5.

With the exception of R. Dick turning out for the Club in place of H. Rouse, the teams fielded as advertised.

The Club assumed the offensive from the start, and early in the game Macnamara scored for them by touching down well out. Wallace took the kick but failed to convert. Soon afterwards, receiving the oval in midfield, Smyth made a nice run down the field, and dodging the defence in fine style, touched down for another try. Wallace made no mistake with the kick this time and converted. Half time came with the Club leading by 8 points to nil.

The Club resumed the offensive from the centre and made tracks for Army territory. Ralston gathered cleverly and dashing through touched down between the posts. Tinson was given the kick but failed to convert. The Army took a hand in the game after this and very soon Tomory opened their scoring by dodging all opposition and touching down close in. Murray converted and the score sheet read Club 11; Army 5.

Although both sides worked hard after this, neither scored again and at the final whistle the scores were unchanged.

The game was on the rough side, and several halts had to be called to attend to players who were hurt in the scrums.

The following have been chosen to represent the Club—J. W. Alabaster, back; S. J. Jordan, H. G. Baxter, A. M. D. Wallace and H. Day, three-quarters; V. G. Smyth and R. Dick, halves; G. G. N. Tinson, C. J. Cooper, N. A. Harper, H. C. Macnamara, A. G. Lamplugh, J. S. McCann, J. Ramsay equalised. Victoria went on the war path after this and in the forwards.

THEATRE ROYAL.

DENNISTON PLAYERS.

ORCHESTRA COMMENDED.

The Denniston Players on Saturday night brought to a conclusion their season in Hongkong, by presenting "The Unlucky Bride," a farce in three acts, to a large and enthusiastic audience. The season has been a complete success, and the last performance fully maintained the standard set by those that had preceded it. The story is of a young man who is about to get married, and expects a handsome check from his uncle on the occasion. The bride-to-be, a mercenary person, at the last moment insists she must have the check before the ceremony. The young man, knowing that his uncle must be handled differently, persuades a stenographer to go through a false ceremony of marriage, and pose as his wife just long enough to let him get the check. There is plenty of humour in the play, and of course it turns out that the marriage ceremony was not false at all, but real as real could be.

Mr. Leo Kennedy was the bridegroom, and Miss Warda Howard the stenographer. Both were very satisfactory. Mr. W. Vaughan Morgan as the amiably intoxicated friend, and Miss Florence Chapman, as Lily, the Maid, provided the most of the laughs. Throughout the season, the Company has availed itself of the musicians of the Wiltshire Regiment, and has had an orchestra that has done much to add to the pleasure of the performances. Other companies might well follow their example. The orchestra compares well with any theatre orchestra. There is not enough military flavour about it to render it inappropriate for theatre use, and it is so far better than the indifferent piano music usually provided during the intervals that it makes a most welcome change.

SATISFY!

—what the deuce
does that mean?

It means that NEW thing in a cigarette, that does for your smoke-hunger exactly what a drink of cold water does for your thirst!

A cigarette must do more than please the taste—Chesterfields do. They let you know you are smoking—they SATISFY.

And the reason is that Chesterfields have body. The finer, silkier leaves of TURKISH have been properly blended with several varieties of the best AMERICAN tobaccos, famous for their full-bodied flavor.

SATISFACTION is something that no cigarette, except Chesterfields, can give you—regardless of price. Because no cigarette maker can copy the Chesterfield blend.

Ask your dealer for Chesterfields.

CHINESE STUDENTS.

IMPORTANT REPORT.

"BRITAIN IS DOING NOTHING."

An important report was issued by the China Association, which represents those in Britain who are interested in Chinese education and trade, dealing with the question of increasing the number of Chinese students in that country.

It sets forth the steps taken by the United States and by France to attract Chinese students. The United States in 1908 remitted £2,240,000 out of the £5,000,000 which China agreed to pay as the Boxer indemnity; and the Chinese Government, at the instance of the American Minister at Peking, set apart this money to meet the cost of sending Chinese students to the United States for education there. Thus there are to-day in the United States 400 students maintained by the Boxer indemnity; 100 maintained from official funds; and 1,500 attracted there by the presence of their compatriots.

The French Government retains the Boxer indemnity, but has undertaken to provide free education and maintenance for Chinese students in France, and 100 have just arrived there. Some will be trained as engineers and others as diplomats, thus increasing French trade influence.

Great Britain alone is doing nothing. England and China are drawn together by more than two centuries' close commercial relations, but all this advantage will be lost if the British Government does not move. It is suggested by the association that a portion of the Boxer indemnity paid to Britain should be diverted to the education in England of Chinese. The money would be spent in England and from purely selfish British interests the gain to Britain would be great.

BEWARE OF COLDS.

CHILDREN are much more likely to contract the contagious diseases when they have colds. Whooping cough, diphtheria, scarlet fever and consumption are diseases that are often contracted when the child has a cold. That is why all medical authorities say beware of colds. For the quick cure of colds you will find nothing better than Chamberlain's Cough Remedy. It can always be depended upon and is pleasant and safe to take. For sale by all Chemists and Druggists.

FAMINE RELIEF.

NATIONAL DRIVE.

PRESIDENT'S SUPPORT.

PEKING, Feb. 4. President Hsu Shih Chang, the first contributor to the national famine relief drive, who gave \$1,000, said that he was happy to serve as honorary president of the Board of Patrons. After an interview with the special the customs chief, the President approved the plan for the drive. The chairman has asked all military commissioners and civil and military governors to join in the national drive and has notified them of the President's favourable attitude to international famine relief committee.

BONUSES REFUSED.

MANAGER INTIMIDATED.

ALLEGED SERIOUS THREATS.

Six Chinese were charged before Magistrate Lindell this morning with having obtained \$400 from the manager of an import and export firm in Connaught Road by menaces. Inspector Moore stated that three nights ago 3 employees of the firm, including the accused, locked the complainant in his office and under threats of death forced him to open the safe and give them the \$400. They also demanded a further \$7,000 which the manager promised to pay if released. Mr. Leo d'Almada, who appeared on behalf of the prosecution to ask for a remand, stated that the accused claimed the money as bonuses but no agreement had been made when they were engaged. The Magistrate fixed bail at \$100 for each man.

One imported case of enteric fever, Chinese, was reported on Friday.

Charged by Sub-Inspector Tim Murphy, a Chinese from America, who made the usual plea of ignorance, was fined \$100 by Magistrate Lindell this morning for having possession of a Winchester rifle, a revolver, and 800 rounds of ammunition, all of which was confiscated.
